- teaspoon laundry detergent 1
- teaspoon baking soda 1
- a teaspoon citric acid ½
- tablespoon citric acid 1

**Equipment:** Bowl and strainer, Knife, Paper sheets, brushes 5, Cutting board, Sponge, Pipette, Red cabbage, And a food processor

Let's start with the magic paper

**2.** Chop a head of red cabbage into large pieces

**3.** Grind the cabbage with half a cup of water

**4.** strain the liquids using a mesh strainer

**5.** and collect the cabbage water

**6.** Soak the paper in the cabbage water and wait 10 minutes

Let's make the secret solutions

**7.** Fill each test tube with one of the powders

**8.** Add water to each test tube

**9.** Close tightly shake well

And let the magic begin!

**10.** Dip a brush in one of the solutions and discover its magic color.

\* Each secret solution should have its own clean brush

**11.** and create your artwork

**12.** To compose beautiful abstract colored clouds, don't dry the paper

**13.** instead, immediately drizzle the magic solutions
